

# Saqlain Mushtaq

Backend Developer

## Experience

## Contact

### Phone

+92 341 5627040

### Email

saqlainjan151@gmail.com

### Address

Village Ahmadabad (Girakhdo) P.O  
Baghicha, District & Tehsil Kharmang,

## Education

**Matriculation** 2015

F.G Boys High School Baghicha,  
Kharmang

**F.Sc. (Pre Engineering)** 2017

F.G. Boys Degree College Skardu

**BS (Software Engineering)** 2021

UAJK Muzaffarabad

## Skills

ASP.NET Core, C#

SQL Database Management

React Js

Medical Billing

## Language

English

Urdu

Balti

### June 2023 - Present

Trucare Billing | Rawalpindi

#### Backend Team Lead

- 1.Design & Development: Designed, Developed , optimized, and managed web APIs and databases, proficient in efficient query writing.
- 2.Team Management: Lead and mentor a team of backend developers, code review, providing guidance and cross-functional collaboration with front-end developers, QA engineers and project managers for architecural-guidelines,
- 3.Architectural Design & Deployment: Lead the design of backend architectures, making decisions on technology stack, scalability, and system reliability. Experienced in Azure and AWS for app deployment
- 4.Performance Optimization: Identify and address performance bottlenecks, database optimization, system enhancements.
- 5.Security: Ensure the implementation of security measures and best practices for backend systems, data protection, and compliance.
- 6.Continuous Improvement: Stay informed about industry trends, emerging technologies, and best practices, promoting a culture of continuous learning within the team.

### Dec 2021 - June 2023

BellMedex | Rawalpindi

#### Dot Net Backend Developer

- 1.Database: Designed, optimized, and managed databases, proficient in efficient query writing.
- 2.Web Services: Developed web services and APIs for seamless data exchange.
- 3.Architecture: Applied MVC, Three-Tier, and SOLID principles for clean, maintainable code.
- 4.Integration: Successfully integrated third-party services and APIs.
- 5.Cloud: Experienced in Azure and AWS for app deployment and management.
- 6.Troubleshooting: Strong problem-solving skills for quick issue resolution.
- 7.Security: Implemented web app and API security, including OWASP Top Ten.
- 8.Collaboration: Effective teamwork with front-end devs, QA, and cross-functional teams.
- 9.Learning: Committed to staying updated with the latest .NET technologies and best practices.

### Sep 2021 - Dec 2021

BellMedex | Rawalpindi

#### Internship - Backend Developer

- 1.Real Projects: During my internship, I worked on real projects, applying what I learned to create production-ready code.
- 2.Mentorship: I collaborated with senior developers, learning best practices, coding standards, and problem-solving techniques.
- 3.Full Lifecycle: I gained exposure to the entire software development lifecycle, from requirements to deployment and maintenance.
- 4.Code Review: I actively participated in code reviews, improving my coding skills and understanding code quality.
- 5.Problem-Solving: I honed my troubleshooting skills, vital for resolving technical challenges.
